ONLINE This Summer!**

SLICE OF CREDIT

For Students Entering 7th - 12th Grade

Presented by University of La Verne,
in partnership with Claremont Educational
Foundation's SLICE of Summer

Registration is now open!

This summer, University of La Verne and Claremont Educational Foundation are proud to offer a WASC accredited for-credit high school course in Technology Education for the 21st Century. Each 3-week session provides 5 units of credit, equivalent to one high school semester. Students may use a University of La Verne transcript* after course completion to apply for credits towards graduation requirements at their high schools.

Technology Education for the 21st Century (5 units/1 semester of credit per session, 1 session meets graduation req.)

In this online course, students will work daily at their own pace and on their own schedule to create, manipulate, and produce content; understand research and information fluency; and learn about digital citizenship, communication, collaboration, technology operations, and concepts.

Price:

\$350 per session

Session 1:

June 22 - July 10

Session 2:

July 13 - July 31

To meet semester credit requirements, all classes are approximately four-hours per day of student participation.

*Additional \$10 fee per transcript ordered
