We are all pieces of the p.i.e.!

Partner with CEF for our "Partners in Education (PIE) Week" and show your support for public education in Claremont while we show our support for you, our partners. We invite any local business to decide how they would like to structure their give back to CEF. It can be a flat amount, a percentage of sales, a donation whenever a specific item is purchased, etc. We know during these trying times, everyone is under tight financial constraints so we are leaving it up to you to decide the amount you'd like to give back.

Prior to and throughout the week, we will be promoting your business to the district families as well as our own contact lists letting everyone know you are a P.I.E. with us and they should make purchases and support your business during P.I.E. Week. Additionally, we also will send out any coupon of your choice for people to use after P.I.E. Week so you can attract more people to your store with no obligation to CEF. Our goal is to create a win-win situation for everyone involved.
