

CLAREMONT EDUCATIONAL FOUNDATION

Since 1991, the Claremont Educational Foundation (CEF) has existed to help Claremont schools excel because we believe that improving our schools, improves our community. Thanks to the generosity of donors like you, we strive to close the gap left in state funding and student needs in our district. CEF grants are awarded to all ten schools and fund art, music, and technology, as well as innovation grants to teachers which make possible many small-scale, but impactful programs. We encourage you to join the Claremont Educational Foundation (CEF) and stand with us in support of public education.
